# 1 Section

This template is designed for smaller (“one-page”) AAGI reports. The AAGI logo and partners footer appear only on this first page.

You can colour text/tables/etc using the various AAGI palette colours. Use [AAGI Teal](#), or [AAGI Bright Green](#). Table 1 shows the standard palette colours available for use.

## 1.1 This is a subsection heading

This is an example of a reference (Person, 2024).

**Example Note** Use `\begin{note} ... \end{note}` to create coloured notes like this.

Example R code using `{AAGIThemes}`.
